
About the Tour

The Fredericksburg Fall Foliage Frolic is hosted by the Hill Country Bicycle Touring Club. The tour brings people from all over the Texas to enjoy a weekend of riding and friendship in the scenic Hill Country of Central Texas. There are supported rides varying in length and degree of difficulty available each day.

Fredericksburg was founded by German settlers in the 1850's and is full of history. Be sure to check out the Admiral Nimitz Museum in town or drive up to Enchanted rock and hike up the second largest rock in the US. Don't forget to visit the many little shops and try some of the great restaurants and bakeries in town.

SAG Support and Safety

Because we care about your safety, all riders must wear ANSI or Snell certified bicycle helmets and obey traffic laws. Please choose routes within your capabilities and be prepared to make minor repairs. Roving support with snacks and fluids will be available on Saturday and Sunday.

We cannot anticipate every road surface hazard or construction project you will encounter on this tour. You, the rider, are ultimately responsible for your own safety during your ride!! Use common sense and caution at all times.

About the Hill Country Bicycle Touring Club

The Hill Country Bicycle Touring Club is a recreational organization for cyclists of all abilities. Most of our rides are leader led where we stay together in groups. Maps may be available for riders who want to ride at their own pace. Each spring the club offers a century ride and several weekend tours. In addition to making friends and riding with others of similar ability, members receive a monthly newsletter, Touring Notes, and a 10 percent discount on parts and accessories at participating bicycle shops. The annual dues are only \$6.00.
