Motion made to accept the minutes of the last meeting. Motion was seconded.

**Ride Chair - Ray Marqués**

- Asked those who volunteered at LBJ-100 if there was anything they thought could have been done better: **Ann Caldwell** said the ride should start 1 hour later. She also felt that the grass at the Rest Stops should have been mowed and sprayed for fire ants because she was bitten several times. **Heidi Lynn** said that there was a very nice little area that would have been good for a Rest Stop for the 10 mile ride too. **Mac** thought that the ham radio operators chatted too much and it made it difficult to hear descriptions, instructions, etc. **Ray** mentioned that there was one radio operator that was missing from Rest Stop 3 for over an hour.

**Public Relations – Ethel Pedraza**

- Thanked the club members who helped/volunteered at the LBJ-100.
- Only 1 injury and that was a fall due to not being able to unclip. There was one 14-year old boy that got separated from his father but was located and brought to Rest Stop 1 and reunited with his dad. He really wasn't lost.
- Our club has been asked to host again next year and **Ethel** named **Ray Marques** as Co-Chair for the next LBJ-100 event.
- Our 30-second video for the LBJ-100 was broadcasted in 20 cities and got a lot of feedback. Even a phone call was made from a station requesting a copy of the 30-second video if it wasn't too late to get it so that they could run it on their station.
- Gearing up now for the Fall Frolic. We need volunteers.
- Announced that even though **Nolan** is retired, his ex-boss offered him a job over in Milan, Italy. It was an offer he could not refuse and he will be leaving in June.

**Tour Director – Ann Caldwell**

- Announced that she had to cancel the Katy trip this year as there weren't enough people signed up.
- Asked that anyone planning to ride in an event to please let her know.

**Treasurer – Jackie Jays**

**Annie Boggs** reminded everyone about the club apparel and that the club logo can be put on just about anything.

**Bob Caldwell** reminded everyone that the next clean-up will be June 21<sup>st</sup>.
